San Antonio to take center stage in women's leadership at the WEF San Antonio

WEF San Antonio Debut Launch

San Antonio, 31.08.2023, 18:15 Time

USPA NEWS - The Women's Economic Forum (WEF), founded in India by Dr. Harbeen Arora Rai, maintains a presence in more than 150 countries and generates connections among more than 500,000 women. It is a global ecosystem that promotes sisterhood, business leadership, education for economic development and the influence of women, through forums, conversations, creation of community, networking and collaborations; contributing to gender equality and sustainable development.

Under the slogan: "WOMEN EMPOWERING WOMEN", this September 14, 15 and 16, at Pedrotti's Ranch, the WEF Texas SAN ANTONIO will bring together prominent leaders from various disciplines from local, regional and global levels, with the purpose of promoting the role of businesswomen and entrepreneurs to foster inspiration and innovation within their communities. It will be a unique experience of constructive exchange based on stories, challenges and successes about: People, Planet and Prosperity.

WEF Texas SAN ANTONIO becomes a transcendental opportunity to connect one of the most influential cities in the United States to this growing global movement, which focuses on promoting women's training and education.

A SUSTAINABLE LEGACY IN THE COMMUNITY

With the fundamental purpose of leaving a sustainability footprint, WEF Texas SAN ANTONIO supports social impact initiatives with its participation in the "Meals from the Heart" program at the Ronald McDonald House in San Antonio, together with the development of the "50 two X" program, aimed at empowering and mentoring young women, providing resources, training and support so that they to develop their skills, confidence and leadership abilities.

In conjunction with local organizations, WEF Texas SAN ANTONIO promotes participation options for women entrepreneurs from the community of San Antonio, as part of the event's production team.

In this edition, the WEF Texas SAN ANTONIO will provide valuable tools to the attendees, led by consolidated leaders such as the CEO of the Musas Academy, triple impact entrepreneurship mentor and Shark Tank Colombia, Alejandra Torres Dromgold, who will teach the Mastermind: Activate your entrepreneurial fire! The young businesswoman Stephanie Carvajalino will offer her conference: Believe to Create, especially dedicated to young women from the San Antonio community who participate in the "50 two X" program.

"It is an honor that the hospitality of the vibrant city of San Antonio welcomes us as ambassadors of this global platform. We place special value on mentoring as a tool for a bright future for women", says mentor and business leadership coach Natalia Ocampo, president of WEF Texas San Antonio. In the vision of Elena Dolinski, entrepreneurial philanthropist and VP of Global Inclusion of the event: "We seek to create a society in which women and girls have equal opportunities, self-confidence and the power to positively influence their communities".

A CONCERT WITH A CAUSE

The closing of the WEF Texas SAN ANTONIO will be the Benefit Concert “Latino Hits Tour + Dragon Ball Z” by the singer with purpose Josafat Espinosa, known as the “new showman of Mexico”. The total proceeds from this event, open to the public, will go to the Ronald McDonald House in the city of San Antonio and to contribute to the tuition fees of adult women who seek to complete their secondary education, through an agreement with Universidad Dinamo de América.

WEF Texas SAN ANTONIO invites local entrepreneurs and leaders, promoters of sustainable economic development and organizations dedicated to enhance women's role in society, to visit the website: <https://weftexassanantonio.org/> to register and participate in the event that redefines the landscape of female leadership worldwide.
